From the Pastor's Desk

Jesus answered "It is written, 'One does not live by bread alone, but by every word that comes from the mouth of God'" (Matthew 4:4).

When you think of persecution of Christians, what comes to mind? You might think of non-Christians opposing Christians. When we think of Satan attacking our church, we usually think of outside evil forces. What if the evil power emerges from within the church? Yes, the forces of evil work to destroy Christians' faith from within the church. I will highlight two focal points that illustrate the work of Satan against the church on both moral and faith levels.

On the moral level, sexual abuse of children and adults by clergy in the Catholic and Southern Baptist churches have left deep wounds in the relationship between Christians and clergy. Destroying documents about clergy sexual abuse and ignoring the suffering of the victims are the work of the forces of evil

inside the church. By the way, we Lutherans do have sexual abuse in our churches, but on a small scale. Spiritual and physical abuse could create barriers between Christians and their church and eventually a barrier between believers and their Lord Jesus Christ.

On the faith and theological levels, the forces of evil attack the faith of the church. The significant example is the so-called "Christ Myth Theory" that denies the existence of Jesus. In the 19th century, German liberal evangelical theologian, David Friedrich Strauss was the first one to propose this theory. Many Christian scholars and clergy have adopted and developed his theory. Some of them often have taken a polemical stand toward Christianity. They promote the notion that there was never an historical Jesus, only a mythological character or "religious conception." Their teaching attracts a large audience because they use a multitude of publications and websites.

It is sad, but not surprising, to find that this heresy emerged from the church. It is evident that the forces of evil are attacking the church from within. Satan aims to destroy the church from within. He does not need to bring non-Christians to destroy it. Christians can do the work. The apostle Paul teaches "For our struggle is not against enemies of blood and flesh, but against the rulers, against the authorities, against the cosmic powers of this present darkness, against the spiritual forces of evil in the heavenly places" (Ephesians 6:12).

I encourage you as we begin our Lenten journey, walking in the wilderness with Jesus Christ, to constantly pray for the protection of the church from all heresy and immoral behavior. Ask Jesus to send his Holy Spirit to help us transform evil into good. Ask the Holy Trinity to help us resist all evil power that denies Christ, defies God and draws us from Jesus Christ.

Jesus gives us a good example of how to fight the devil. Jesus defeated him through prayer, fasting, and meditating on the word of God. Let us follow Jesus' example. Have a blessed Lent.

Yours in Christ,

Rev. Dr. Niveen Sarras

We are having Fat Sunday this year instead of Fat Tuesday. Fat Tuesday falls on the Tuesday before Ash Wednesday. It is called Fat Tuesday because Tuesday is the last day to enjoy all the meaty and fatty delicacies you can muster up.

Pastor Niveen invites you to join her after the service on Sunday, March 3 to enjoy a delicious serving of pancakes. Are there any pancakes chefs out there? If anyone would like to volunteer to cook pancakes, please let the church office know.

Lenten Bible Study: We are going to study the Passion of Jesus Christ and cover the following topics:

March 10 - The Roman Conspiracy to Invent Jesus. Was Jesus a Roman Hoax to Trick the Jews?

March 24 - The Passion of Christ and anti-Semitism (John 19:15; Matthew 27:25)

April 14 - Did the Passion Week of Jesus last a week?

The Bible study starts at 10:45am in Emmaus Room.

Ash Wednesday at Immanuel Lutheran Church. Wednesday, March 6th is the beginning of the Lenten season. Message from Maggie ...

To my Immanuel Lutheran Family:

First, I would like to say "thank you" to everyone for both your financial support and prayers for me during my time at Luther Seminary. The transition to St. Paul has been a difficult one for me, as I often get homesick. Yet, I have been able to strive forward, through my faith and through the support that each and every one of you has provided. I have found comfort and strength by leaning into the prayers that you have said for me, and I look back to my "blessing and sending" day often, remembering the awesome group of people I have helping cheer me on. Seminary itself has been a wonderful learning experience, and I have enjoyed the classes I have taken thus far. I would also like to inform you that I received an internship position at Fairview Southdale Hospital in Edina Minnesota for this summer. I will specifically be interning at their Aurora clinic, which is primarily focused on individuals in transitional care and senior living. This type of internship work is required for all Seminary students in my Master's program and it is specifically called Clinical Pastoral Education. I am looking forward to this challenge and continuing my growth through this internship program. I look forward to my trips home to Wausau and specifically the ones where I am able to visit with everyone at Immanuel on a Sunday morning!

Maggie

Message from Justice Pule written on behalf of the Lobatla Parish ...

Greetings of the New Year (2019)

It is with great pleasure to greet you brethren. I have been trying to write emails to you, but all failed. I hope you are all fine. We are still doing good as far as health is concerned. The problem is heat, as there is no rain the whole summer. We received some drops the end of January 2019. We still need more for plants to grow and grass to grow. We have started with the building of the church at Tshwaraganang congregation. I hope we shall finish somewhere in June, but I will always keep you informed.

Wishing you God's blessings.

Yours Faithfully,

J.P.Pule
